and it would have been deeply interesting to talk over the many changes that have taken place - and to speak of the dear, & much loved & honored departed ones. whom we have known & loved

Thank you very much for the beautiful Photographs you sent me through dearest Isaac. It is placed in our Drawing Room - and gives me daily pleasure -

You will rejoice to hear that some of our children have been found by the "Good Shepherd" and are devoted to His service. I trust they may all be gathered in. Does your Daughter Mary ever wish to visit England?

I should like to see
