Dr. Caspar W. Morris

My dear Sir -

I am very sorry that I should have failed to see you before leaving London - I called this A.M. at your Hotel, but only to find that you had left to day for Clifton - Had I not been so engaged I would have been up before - I have no doubt that you will greatly enjoy your run thro' the North - Make my kind regards to your brother & your families -

Believe me
faithfully yours
Saml. F. Fisher -
