1872 September - October Cooper Morris Incoming Letters 844

SIDE ONE

september 11th 1872.

Doctor Kasper morris

Dear sir

I reply to your kind letter which came safely to hand, I was glad to hear of the good health of your self and lady, may god bless you and bring you safe to your home, I have been quite sick since I received your letter but am better again I kno you will be glad to hear that we have good rooms to live in altho we have to work hard to pay the rent, but thanks be to god who never forsakes us, but gives us all things, we will glory in his name I think you will like to hear that Jerusalem is declared to be the capitol of palistine truely we live in a time of great events we hope to have a garden for willie to work in this winter, to plant us a few things in willie is so glad he is praising god all the time for he says who would have thought we should ever live in a house again he says is not god good, I am sorry I cannot send him to school this winter for we have a nice one to the german colony
