Mr. James A. Walton,
Annapolis Bank and Trust Co.,
Annapolis, Maryland.

My dear Mr. Walton:-

The other day you very kindly offered to give me a letter to the person in charge of Whitehall, authorizing him to let me study some of the interior detail in connection with the work I am doing on the Hall of Records.

We are coming down to Annapolis next Wednesday, the thirteenth, to do some work at the Harwood house, and would like to go on to Whitehall if this would be a convenient time for us to get in.

Very sincerely yours,
