[redacted] Jos Gaulbert - Kent

Many as often as I could sick but go there occasionally and always find her lonely - and Henry was so very kind last Summer in helping me with my fruit crop - The labour is too great for my strength henceforward - next year I shall rent the orchards -

I hope we shall see you and Cousin Anne early in the Spring - I enjoyed some of your letters at the Ridge read to us by Cousin Sarah - Give my affte love to Cousin Anne - and believe me dear Dr to be Very Affty yours
