

June 9th, 1934.

Captain Douglas L. Howard,
St. John's College,
Annapolis, Maryland.

My dear Captain Howard:-

Would it be possible for me to have access to the parlors of the Brice house next Wednesday morning, June the thirteenth? There is some architectural detail there which I would like very much to study.

Will you leave word at your office Wednesday morning whether it is convenient for us to get into the rooms then. Trusting I am not putting you to too much trouble,

Very truly yours,
