1873 January-March

SIDE ONE

West Avon March 24th 1873

My Dear Dr Morris. As directed by H M Murray I enclose to you my application to the Directors of the American Steam Ship Co for the Post of Surgeon on board one of the Ships now being fitted out by them. I hope in a few days to send them through you letters from some of the leading men in Annapolis and also letters from Dr Cheston & others in this neighbourhood for whom social standing and integrity. I do not think you will hesitate to vouch. I wish that I could express to you in an adequate manner the gratitude that I owe both to you & Harry Murray for the kind interest you each take in this matter which is of so much moment to me. whether successful or otherwise I shall always remember the kindness of each of you exhibited to me on this ~~[illegible]~~ occasion

Very truly Yours
J Franklin Deale
