Tuesday May 20 / 73
1331 Spruce St

My dear Doctor –

I am engaged in preparing a discourse on Dr Hodge for the University class, and I should prize, very highly, any communication you, as one of his oldest and dearest friends, may be able, or willing to make regarding him. If you will pardon me for the suggestion I will merely say that I shall be very glad to have any information you can give me on the following
