1873 August - October Cooper Morris Lincoln Letters 1999

SIDE TWO

with him -

Ellen & I were very sorry to miss a visit to Unionville, but it was impossible for me to leave home at that time, and she came home with the Harrisons - We are having very pleasant fall weather here now & are glad to be settled at home. We are hoping to hear from Sister Mary that she & Harry will come on to us at once - Miss Alice Winchester was here last week, & Aunt Louisa is spending the day & night with us - They will go home together I presume -

We are delighted to hear the accts. of Harry's peach crop - I hope they are still in demand -

Please give a great deal of love to all around you & to our relations generally - Shall we see you at home this week? All well at "1833" this morn.
