1973 August - October Cooper North Lecture Series 1999

SIDE TWO

to this invite that I might have the pleasure of showing you some of those things which I have so lamely described but which in themselves are so clear and so beautiful.

If your business or pleasure should ever take you near this quarter of the land, you must not forget there we are and how much pleasure a visit from you would afford both to Mrs. Norton and myself.

With many thanks for your kind letter I remain

Sincerely yours

H. Berry Norton
