1873 August - October  Cooper Morris Lincoming Letters  1994

SIDE TWO

My little Howard makes himself happy at School & Mr. Adams writes me "he is a promising pupil"
My garden has been very charming this Summer - the quantities of Roses my dear we planted are now in perfection - & the 2d - Autumnal Blooming has been so good - only 3 days since Allie brought in a lovely basket - but past rain have since come on us in earnest - but I hope Snow will keep off yet awhile -
Dr. Macduff the Author, & his wife & daughter have come to reside near us - a most welcome addition to our neighborhood - I dare say Inclosed seen his "Faithful promises Morning & Night watches" "Sunsets on the Hebrew Mountains" &c.
Did Mr. Morris see the Birth in Cairo of Twins to Dr. Grant's wife? I am so sorry - she found one little one a hard case in that climate -
Give me your prayers dear friend that all my little children may be brought to
