SIDE TWO

of Princeton, called "a nation's right to worship God": and amongst other things it states that there is a movement going on for the purpose of securing the recognition of the Christian religion in the Constitution of your country.

This is very interesting. I hope it may succeed, and exercise an influence upon us, or as to check the retrograde movement going on here to eliminate Christianity from the government.

Give my love to your wife, and believe me to be ever your affectionate friend. J Braithwaite
