To Dr Morris

My dear friend,

A few days ago I had the pleasure of receiving thy kind note and the Memorial of your beloved sister in law Margaret Cheston which is especially welcome and interesting to me. I so well remember her my beloved Mother speaking of her sojourn at Baltimore in that favoured home and how much she was attracted to M. C. Her is indeed a wonderful instance of the power and influence of Divine grace and the strength for "all things" of those who are in Christ Jesus, resting in His love and recognising His wisdom, & guidance in all their afflictions. How great is the bereavement to survivers when the companionship has been through long years of patient suffering with unclouded mind -

C.
