Dr K. Morris.

Dear Sir,

Yesterday, being in Philad., I wished very much to call on you & again thank you for the kindness you have shown me, but, being in town only one day & having a great deal to do, it was impossible for me to carry out my wish.

On the 20th inst. I was unanimously elected instructor by the executive committee of the Western University.

My duties are to begin Nov. 2d to-morrow I shall leave Bethlehem for Pittsburg.

I hope I may be successful in that city & be able to obtain
