SIDE ONE

Germantown November 12th/74

My Dear Doctor Harris

Though unable to demonstrate my interest & offer my sincere congratulations on this new anniversary of your marriage day. my thoughts dwell with you, and your family especially. and in spirit I unite with those who love you, in praying that health, and happiness, may be given to you, and Mrs Harris through many years of this mortal life.

The pleasant remembrance of your skill, and kindness to us. is ever before me. and with full heart I thank God for our faithful Physician & true friend.

If when at Germantown you should have an opportunity of visiting us. Edward & I should be gratified in receiving you.

With sincere regard your friend
Elisa H. Coates
