SIDE TWO

upon him at his house.
We are very anxious to see the Medical School & the Hospital of the University of Penna, which I presume will be in the programme. I am so sorry that Galloway does not feel like going with us - I left him an hour ago & we talked the matter over fully.
I shall depend on thy good presence at the University & at the party - thy Balto friends will all be glad to see thee.
If ~~we~~ some of us can get off at 11.30 I think we shall do so - others will remain over 1st day.
With kind remembrance to thy wife I am affectly
thy frd W. T. King
