My dear Dr

Our Book is being pushed forward rapidly & I will thank thee to let Mr Wood & Co, 27 Great Jones St N. Y., know as soon as possible where they shall send thy proof sheets. They have promised us the Book complete by the middle of next month. I have recently returned from N. Y. where I met Judge Dobbin & we were much pleased

I hope to be home about the 15th - for a week or two.
