with the printing & the lithography.

It is important to affix to the authors names such titles as properly belong to them. In addition to my M.D. have them note an official position at the Episcopal Hospital - please send it to Mr Nord & C. I promised them I would write to thee for it.

I am busy here looking after six young ladies who are specially under my care - but it is a pleasure to see how much benefit their visit gives them & how nicely they care for me.

Much affec remembrance to thee & thy good wife & to my dear friend G. C. if thou should see him. Thy friend J. T. King
