1875 October - November Cooper Morris Wyoming Letters 1994

SIDE ONE

Dear Dr Morris

In reply to your letter of last week, I wld say, that when the "appointment" was first Dr Knight told me it wld be best for me to have the getting & discharging of the nurses &c on the 3d floor, & that all directions wld be given through me."

The superintendence of the wards was in this way given into my hands.

I have consulted with Miss Lehman — always recognising & respecting her in her position of matron — as much as I have done to Dr Knight as Superintendant of the Hospital.

But since you say this
