1875 October - November Cooper Morris missionary letters 1994

SIDE TWO

was not the understanding of the Managers in making the Appointment — that they do not consider me responsible in any way for the management of the Ward — & as I have no wish to disturb the arrangements of the Hospital — yet, do not feel it right to accept a position there which only subjects me to impertinance & misrepresentation, I have, after consulting with the Managers of this House, decided to resign my Superintendance.

I leave on Wednesday for a vacation of three weeks in New York, & when I return, shall be glad to be permitted to visit the patients as a Mission worker simply.

Thanking you for your kindness — I am

Respectfully
Sister Hannah Austin
