SIDE ONE

Dr Taylor's.
100 West 53d St
New York.

Dear Dr Morris.

Your kind letter reached me on Saturday, & I thank you very much for writing to me. The Resignation was sent, after due consideration, with a reluctant feeling that it might be a relief to the Board to receive it — but I am ready to leave it in your hands to act upon in your own good time & way.

As I have said to you before, I love the Hospital as a Church work, & I think my "jealousy" & indignation is excited more

I will not occupy your time any longer.

Thank you for your kind wishes in regard to my health.

I am staying at Dr Taylors with a cousin of mine, daughter of Rev Dr Coolidge of Boston, who is under treatment for spinal disease. With the exception of headaches, my health troubles me but little, for which I have much cause for thankfulness.

Thanking you again for your kindly feeling & hoping that you may long be spared to give your voice & counsel in the good work of the Hospital,

I am very truly & Respectfully
Sister Hannah Ames.
