1875 November - December Cooper Morris incoming letters MS 1994

SIDE TWO

prevent prejudice, as well as create a regulation demanded by humanity and Religion

Yours with great regard
D. S. Miller

Dr Cooper Morris

I know it will be said that this is the practice – but with the above proposed enactment, it will be a written rule, and will embolden and warrant the superint.t to do it, when some might oppose, or dissuade from it.

Sometime I want to speak to you of Edward Smith (in the Penitentiary)
