Mr. Lawrence Hall Fowler,
347 N. Charles St.,
Baltimore, Md.

Dear Mr. Fowler:

Will be delighted to make you the picture
to agree with any sum you may have set
aside for it.

Also will be glad to do it as you suggested.
Start it in your office and bring it back
to finish it there.

You can reach me at National 1663 or
by letter at 1518 K. St. N.W. and arrange
a time for starting.

I am ready now.

The important thing to me is to make sure
to get the job before anything happens.

Thank you for this opportunity

Very truly yours

J. A. Parks.
