1876 January-February Cooper Morris incoming letters 1994

SIDE TWO

ought to have had the support of their road. To me the mystery is great that neither patriotic feelings nor their material interest have awakened the least sympathy on the part of the very respectable gentlemen who compose the direction of that road company.

I will speak to Mr Miller when he comes from Horticultural Department about Mr Walton. I have heard of his application & presume he will receive kindly treatment.

The matter you allude to about the Hospital I will attend to

Sincerely

Jno. Welsh
