1876 March- August Cooper Morris incoming letters 1994

March 2d 1876.

My Dear Mr Morris

I wish to see you about a matter more immediately connected with the Penn. Stock but in which I know you will be deeply interested

May tell me when & where I can see you, or should you be near our office, would it in the absence of my brother be asking too much to request your coming to me

Yours truly
Sam'l Welsh

C. Cathcart Morris
