Dr Sir

We propose to deliver on board boat here

Blue Stone Garden Curb 10" deep 2"-2½" thick for 36¢ per running foot

Granite Street Curb 4½" thick for 70¢ per running foot

Either gotten out in sections of 11.0" 25.0" 36.0" 35.0" 22.0"

Yours respt.

M. Gault & Son

M. Gault Jr.

We think the Blue Stone would be decidedly more suitable – it is used in New York & we have some at place outside Balto which has stood the frost about 2 years
