I am initially & furnish me with a letter upon receipt, and the letter upon receipt will deem it to be that you would not deem it to be by the exhibition of an infinity.

With heartfelt & earnest thanks the bearer of this letter who crossed the ocean to be here in Philadelphia & have forwarded for me the hopful & generous particulars the holy ordinance of which has on & then each has a double strength & blessing. & a double strength & comfort now adopted when we have with offerings & appeals
