Pennsylvania Hospital,

Philadelphia, May 30th 1877

Dr C Morris

Dear Doctor

Dr Hunter is an applicant for the vacancy in the Episcopal Hospital made by the resignation of Dr Hasskurst. He has had most extensive Hospital Experience, here & in the University Hospitals. He has performed many major operations, and has served as free surgeon in this institution by substituting one of the staff. I know you could not do better than to elect him, and that if you do he will serve you well

Very truly yr. frnd

Wm Hunt
