1877 August-December Cooper Morris / Incoming Letters MS 1794

SIDE ONE

30 August 1877
Hookfield Grove.
Epsom.

My dear Friend,

I must write a few lines by my son-in-law Thomas Barkworth with whom I believe you made acquaintance when last in England.

He is going to Canada on business connected with the Great Western Railway, and when that is accomplished, will probably visit some of your cities;

I hope however that better days are in prospect both for your country and ours, as regards business.

Believe me to be affectionately Yours

J Barkworth
