1878 Cooper Morris Incoming Letters MS 1994

Is. enough enjoy the
bracing weather?
Dear friend! I crave
your remembrance &
one in your prayers
that I may grow
daily in grace, and
be made meet for
the rest above.
My home has been
very useful the last
two months in giving
rest and change to
many dear friends.
Oh that we may
close to obtain it.

Earth has few attractions
for me now that
both my loved ones
are gone! yet I desire
to feel the privilege
left to me, in being
able to minister some
of the good things to
those would I help
& comfort those that
are about & around
me. I pray for an
right judgment
in all things.
I am sent you
a very good report
of my health I am
thankful
