1880 Cooper Morris incoming letters MS 1944

SIDE ONE

Jan. 22 80 -

My Dear Doctor Morris, I concur with you in the matter touching the interrogation of the Surgeon Genl and of Dr H. C. W. I propose to submit to Mr Clay the resolution which directs the Clerk of the Council to ask the Surgeon Genl to tell us what books Dr G. B. Wood gave to the Surg. Genl's library, and also the letter which the Clerk wrote last night and gave me for the purpose - "Let us have peace" -

I hope to meet Dr Cleeman at the College to day about one P.M. to get a paper -

I am sorry you find me in process of dressing. I hope you will excuse

Very sincerely yours

W M Rutherford

Dr C. Morris.
