My Dear Son

Your letter to your mother was welcomed this morning by both her & myself and I at once wrote & mailed a letter to Mr Fr. Patterson Nelson & Bank which will be afterward of her and also of your uncle to whom I mentioned the terms I used when he came in to dinner. Most heartily thankful shall I be if you should receive the appointment as I am ~~extremely~~ desirous that you should find some means of adding to your income. We are thankful to hear that dear Hannah
