Mcl. Caspar Morris incoming letters Biddle-C 1994

SIDE ONE

when you were in England
before – We expect however
to return to Holloway for
ever on Friday & should you
be still in London on Saturday
next or the beginning of
next week it would give
us great pleasure if Mrs
Morris & yourself & any
others of your party you
would like to bring will
come out & have luncheon
with us & take a look
at the Crystal Palace –
If you will give us a line
we will meet you at
the station with the pony
carriage – The station
to ask for is the High Level
Crystal Palace train at Victoria
station –
I fear as you do not mention
it that a letter I wrote to
you through your bankers
