Honorable Wm. Preston Lane, Jr.,
Governor of Maryland,
State House,
Annapolis, Maryland.

Dear Pres:-

I am enclosing herewith a letter written to me by Mr. Laurence H. Fowler and also the estimates he sent me for material and for upholstering the Senate Chamber furniture. As you know it was recently found that the upholstery had been attacked by moths and is in bad condition. Apparently the cost of repairing the damage will amount to about \$725.

Mr. Fowler has sent me all his correspondence on the subject and I am turning it over to you.

Sincerely yours,

PBP/a
