SIDE TWO

can supply at Eighty Dolls
pr Thousand - We think
and have found both autumn
and spring good seasons pr
planting - We prefer the former,
because it is a period of more
leisure and the planting
more likely to be well done.
As the leaves drop later than
those of most trees, we think
about the 25 of 10 mo or 1st of
11th the best date for shipment
this fall - We cultivate all
the sorts upon our Catal:
but for Orchards should select
