C 9 6 5

n.d. Caspar Morris Incoming Letters T-Y 1994

SIDE TWO

the Ladies away from the Westfield nuisance as well as still more effectually from the Institute. We can consider remedial measures and have Bishop Potters idea of a training School can best be carried out. I think myself that in using an illustration to show the need of some religious influences in the family I have given you discomfort

Yours truly

W W Welsh

Dr C Morris
