Mr. Earl W. Harris, Gen. Manager
The Tinolan Company of America, Inc.,
Trenton Ave & William St.,
Philadelphia 34, Pa.

Dear Mr. Harris:

I thank you for your letter of June 30, containing recommendations for the treatment of furniture, fabrics, rugs and carpets in our buildings at Annapolis, Maryland.

Your letter is being passed along immediately to our Director, Mr. Walter N. Kirkman. As soon as a decision is reached, the information will be passed along to you.

Our trip was a pleasant one and I am sure a liberal education to me on moth treatment.

If you could forward to me several extra copies of your booklet, they would be greatly appreciated.

Yours very truly,

R.W.S.
