is held in a portion of the Cathedral Church. I do not understand by what arrangement but evidently the same place of worship is used by some other denomination. Is it the Lutheran? Prayer was made for U.S.A. as well as this land & Great Britain. In a walk looking for the English Church I found some fine modern residences skirting the older parts of the town lying on the slope of the mountain. Saw also the Hospital. Dirty looking & poor. The students had had evening a torch light procession & general gallification before dispersing to stay for six weeks holiday. They made night hideous by their noisy revels

So day we see some about the streets in small groups

Stutgart. Aug 15th

We spent Saturday afternoon Sunday Monday & Tuesday late noon at Heidelberg. The time fully occupied and most agreeably. The Castle is indescribably grand in its ruin. What must have been in its integrity! The views from it over the old town and down the Neckar to the valley of the Rhine with its wide extent and cultivated fields is very attractive but that from the tohl hof a tower of about 100 feet height built near Konigstuhl on the very top of the mountain surpasses any thing I had ever conceived. One of the party remarked that it was more like seeing all the kingdoms of the world and the glory of them than any other spot. The distant mountains lent their grandeur
