GHIKLMNO

The letters signed Harriet Murray were written by the dearest old lady possible. Well do I remember her beautiful saint like countenance as I saw her on my first visit to West River after our marriage in the quaint peaceful cottage at Woodstock with her uniform husband & her daughter Margaretta and son Alexander (Cousin Alick of the Oxford Circle). Her Christian character had been formed and developed under circumstances of trial of more than ordinary severity, and the gold had been freed from dross till it possessed a value which was beyond price. The value of a virtuous woman.

X Dr. M. has fallen into error here, which I will correct. James Frisby married Ariana Vandykeyden 7th Feby. 1713. After the death of J. Frisby the Widow married Bordley, & on his death she married Ed. Jennings. She was distinguished for beauty & excellence of character. She had a daughter by her first marriage who married Dr. Wm. Stevenson & after his death married * Danl. Cheston. By him she had 3 children, * Daniel, James, & Francina A.C. Dr. Danl. C. died. Her Mother then Mrs. Jennings, went to England with her husband & Mrs. Cheston accompanied them with her 3 children where they were brought up.

* Galloway Cheston" has fallen into error here, which I will correct." Francina Augustina Frisby married 1st Dr Wm Stevenson, 2nd Daniel Cheston, merchant of Chestertown. * Their son Daniel was the youngest of the family. A.C. Murray
