Caspar Morris notes 1994

SIDE TWO

Lee, by faith, thy bleeding Saviour
Hanging on that cursed tree,
Now thy debt of sin is cancelled
And the blood and died for thee.

~~Chorus~~

Come to Jesus, Come to Jesus
He is waiting now to save,
Weary sinner, Weary sinner,
'Twas His life for you He gave,

There are mansions full of glory
There are streets all paved with

O, O sinner would you share it
Would its beauty you behold

Come to Jesus Come to Jesus,
He is waiting now to save
Weary sinner. Weary sinner,
'Twas His life for you He gave

There no hymns were sung to music by the choir
Little children, we are happy
