1881 May Galloway C. Morris Incoming Letters MS 1994

to say positively whether or not your father had any interest in his brother's legacy, he was decidedly of the opinion that the title to the real estate would be taken and bottomed by his signature to such deed.

I would advise you to have the business examined by your own counsel & then completed. Send to me for one as general.

There is no haste necessary in regard to the deed. Sincerely yours with Christmas Greetings

Wishes and salutations
