Baltimore, 5th Month 12th 1881

My Dear friend
Galloway C. Morris 209 S. 3d St. Phila

I have thy letter of 11th Inst. and we will comply with thy request respecting transfer of Stock. My Son James has shewn me thy letter of 11th (to him) and I would state that his letter of 25th Ult. referred to therein, was carefully considered at the time and met the approval of all the Executors, and while it might possibly have been couched in language not quite so liable to misconstruction, yet the views intended to be conveyed we regarded and still regard as necessary to prevent future complications, not only with reference to your interests but to those of the other branches of the family. I think that if we could have had a few moments of friendly conversation on the subject we would have understood each other better, and do not think it would be profitable to have further correspondence on this particular subject until we have an opportunity of
