1881 May Galloway C. Morris Incoming letters MS 1994

SIDE TWO

Baltimore yesterday & am of great anxiety lest he be unavoidable. I think it would be best for you to send for the Amended Bill and Mr. Stephens of Cary & Stocking where failed to see Mr. Simmons President of Tenn Coal yesterday to know his views but this, to Mr. Morris & should be glad to have what you think about it. It will of course be necessary to keep it in order & he had better be earning something to pay taxes & labor.

Morris & Lacey I hope may be able to get off on Friday for the Blue Stone

I shall be glad to have a line from you. Since probably he has made this trip I will not be so long as usual

Yours affectionately
Jas A Chalmers
