1881 May Galloway C. Morris Incoming Letters MS 1994

SIDE ONE

Baltimore
May 26. 81

My dear Galloway

We have admitted
Baltimore for and further
Summer, Whether we shall
be able to get a tenant
is questionable.

I have rec'd your letter
expecting the confirma-
tory deed & differing into
Wills, your views. I regard
the residuary legatees
as especially interested
as it plainly does dis-
pute any question of
validity of title taking
estates to Baltimore wife
