1882 April Galloway C. Morris Incoming Letters 1994

I hope whatever is done may be to the satisfaction & best interests of all concerned.

All our other securities have been transferred through the N. Y. Central R. R. that the trades Harrington agreed to do.

A few days more & I hope the personal Estate can all be handed over & that the Law proceedings will soon be abandoned & the Real Estate also distributed.

With kind love to you all

I am dear E.
