My Gen favor of 29th ult was duly received and we yesterday the appraisers reported the result of their deliberations - but before having the report finally acted upon by the Court it is desirable to know whether it is satisfactory to the parties in interest and to this end Mr Carey was to write to you we yesterday which I presume he has done.

In valuing the Charles st property (the Marble building) at $75,000 - they have placed it 5000 - below any value heretofore put upon it but under all the circumstances I am inclined to think their valuations are about as fair as could be made and I have advised Mess
