Dear Sir,

We enclose Certified Copy of Auditors accts in the Cheston Est Case for examination by Members of your family – You will notice that the amts. already paid the residuary legatees, having been unequal, have been brought back into the Est for redistribution, so as to equalize the final distribution, the legatees being again charged with such amts on the other side and receiving in Cash only such amts as added together with the amounts so charged be their proportion of the whole – The releases will be for the amts rec'd in Cash – From these amts however must be deducted the Collateral Inheritance Tax on the real Est and we enclose you memo. of this – You will see in the Case of Mr. G C Morris there will be a balance of $174.41 to be paid by him will you please call his attention to this – We must trouble you also to let us have the enclosed Copies returned to us as soon as possible as we have no others in our office
