SIDE TWO

to place the Property on a par with the Warehouses of the neighborhood, and to make it requisite for the purposes of a jobbing House, you may have to spend from 3 to 5 ~~xxx~~ dolls.— Water Elevator will cost from 1 to 2 ~~xxx~~ dolls., I do not think I am extravagant in my ideas—

If you could make an examination, careful and thorough, of this subject and ascertain the modern wants of the jobber, you would find this be correct,

Respect yours,
