1883 September - December Galloway C. Morris incoming letters MS 1994

SIDE TWO

he had two sons George the eldest who with I think eight sons moved from here to South Carolina about 1762 or 63 and his decendants are now scattered over the South and West, and Isaac H the second son of Abraham remained here he had but one son Jonah who was my Grand father My Mother who was also a Miss Hollingsworth was a daughter of Isaac H. who was a son of Zebidee H came here much later after the Revolutionary War I think from Elkton in Md. or from West Chester in Penn I have understood he was a decendant of Henry H. second son of Valentine and brother of Thomas. Our County Records show that they were other families of Hollingsworths who settled here but their decendants have either died out or removed away years ago. Some two or three years ago I wrote a long letter to Dr John Neile of Philadelphia now dec. in answer to inquiries made in his letter, (which I suppose you have seen) giving all the information that I could obtain from Records and other sources of the Hollingsworths who settled in this part of Virginia and if you take an interest in the matter it will be interesting for you to read. I suppose his widow Miss Ann Neile has it. If you have any further enquiries to make it will be a pleasure for me to answer them for your letters are very interesting

Yours Truly

J. T. Hollingsworth
