1884 July - August Galloway C. Morris Incoming Letters - 1944

have been very fine, and appropriate I think he said enough and not too much, and doubt if those delivered in the majority of our Churches are as much so. I did not read all of Mr. Newmans. Harry is away from home this evening, and expects to go again on Friday morning to stay until Monday and then again on Tuesday - so it goes. I have no plans for myself, but my family desire that I should go to Oakland and I may perhaps go next month for a few weeks. I am so much better and stronger than I have been for some years, that I would prefer staying at home. The girls all join me in fond love to all of you. Rob talks of going to Calvert County to a party to morrow night, but I doubt his getting off. Once more fond love to all

Your loving sister
